**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly oppose US Telecom petition!

It's important to maintain competition so small companies, startups and others can thrive and help individuals and the economy grow. We all know what giant corporations do: they stifle competition at huge cost to consumers. No to trillion dollar gouging of ordinary consumers!
